DEMOCRATS PLAN TO BUILD FOR FUTURE

Progressive Policies Will Be Stressed at Party Council

TO SELECT CHAIRMAN

One Leader Pledges $20,000 to Spread Forward Looking Propaganda—Real Battle Looms.

Washington, Nov. 18.—There are observers who have come to the conclusion that the Democrats are working harder now and pulling better together than they did in October, And there is money in sight, not for the bad debts of the past, but to make educational propaganda possible for the future. One leader has come right out in meeting with an offer of $20,000 and it is said this same leader was not very generous in October, when he contributed $100.

Of course, those who knew about this little incident immediately smelt a rat. "Oh, he wants to nominate the candidate for 1924, and he thinks the boys ought to begin rolling logs into the nominating wigwam right away," they say. Strange as it may sem, this is not the case. The only condition attached to this gift is that there shall be no personal propaganda, no tentative plans even as to candidates and platforms. He wants the money spent to spread the progressive gospel and the principles for which the Democratic party generally has stood. He wants all the local clubs organized and forward-looking ideas placed in circulation. If the Democratic machine should not prove a suitable instrument for this campaign, the unexpected donor thinks the time is ripe when a really progressive party, clearly separated from the old organizations, should be launched upon the political waters

No one can tell how far the new course will lead us, or into what new uncharted seas, but it is a pleasant change, this new spirit, that is being manifested in Democratic circles.

Ten days ago the leaders, returning from the various sections of the country, dripping with the gore of unsuccessful battle, would drop in to see you and monologue along for untold hours, and then they would depart, saying, "That is the whole story." But now the talk is forward looking and worth listening to. Of course, the choice of the new national chairman preoccupies many minds, and none too soon, for George White has resigned and he must be replaced in December. Roper, former Internal Revenue Commissioner, is mentioned for the place, as is also Tumulty, but they will both have to be drafted, and, as a matter of fact, the choice is more likely to fall upon Thomas Chadbourne or R. W. Woolley, who retires from the Interstate Commerce Commission in January. Woolley and Chadbourne, who acted as the lieutenants of Colonel House in 1916 and are given deserved credit for the stubbornly contested victory of that year, are the most available and most frequently pushed in Democratic circles for the difficult position that the Harding landslide has made vacant.

It will be noted that none of these men who are mentioned for the national chairmanship are members of the national committee. And it will be recalled, perhaps, that at the San Francisco convention it was decided that the national chairman must be chosen from this committee the committeemen not unnaturally, wish to perpetuate their control, and the forward-looking men of the party want to break it. It is pointed out that when Tom Taggart and Norman Mack and other committeemen have presided over the national organization the campaign always ended in a funeral, and, of course, in this connection the 7,000,000 majority of Harding over Cox is brought directly home now to the Murphys and the Nugents, the Chicago boss and the Boston crowd that made such a roar in San Francisco and rang so low on election day.

So there will be a little battle when the Democratic braves meet in December, and the result will

PRIZES FOR HAWK KILLING

The Virginia Game and Game Fish Protective Association in annual session in Richmond last week appropriated $250 to be paid in prizes to the persons killing the greatest number of hawks in the State between January 1st and October 1st. In addition, Howell Bros., sporting goods dealers, Richmond, have given a Parker gun to be awarded to the person killing the greatest number of hawks.

Details of the plan under which the prizes will be awarded are now being worked out by a committee. It is known, however, that the prizes will not apply to any county the Board of Supervisors of which has not adopted the bounty act, passed by the last session of the Legislature.

Full information regarding the rules of the contest may be had upon application to the Department of Game and Inland Fisheries, Richmond.

Big Crowd At Bazaar

Opening Night at Lyceum Hall of Autumn Festival a Success

A large crowd last night attended the opening of the autumn festival of St. Mary's Church at the Lyceum Hall. The affair was voted one of the most successful "first nights" ever held at a festival given by this church. With their various colored decorations and arrayed in hundreds of pretty articles the various booths were greatly admired by the large throng in attendance. Flags, bunting, pennants, flowers and incandescent lights are in the decorations adorning the booths and side walls of the big hall.

There is almost every conceivable article desired at the various booths including fancy work, children's clothes, handkerchiefs, dolls etc., and there also is cake, candy, ice cream, flowers and refreshments.

Voices are being taken on a number of valuable prizes included three live turkeys, live pig, barre lof flour, gold pieces, cut glass articles and a host of others.

Special attractions are to be provided each evening during the progress of the festival.

Next Monday night the members of the Holy Name Society will attend the bazaar in a body and take supper at the supper booth. It is expected that a large delgation will attend.

The supper table at the bazaar it is announced serves regular meals, and not oyster suppers exclusively as has heretofore been stated.

The festival will be continued for a week ending November 24.

Thirteen Drunks

Total of 148 Nabbed by Police in Month—Commissioners Elect Peter R. Hall Pcliceman

Although the Volstead act is operative in Virginia as elsewhere there were thirteen persons arrested during the past month for being drunk on the streets according to the monthly report of Chief of Police Goods submitted to the board of police commissioners at its meeting held last night. The total number of arrests made during the month was 148. Of this number the violators of the light law for automobiles headed the list, 26 being cited to appear in court for that offense. Speeders came second with 13 taken in custody today.

The commissioners elected Peter R. Hall a member of the police force to fill the vacancy caused by the declination of Frank C. Hall to qualify, the latter being recently elected a member of the force.

There were eight applicants for the position, six former applicants and two new ones.

The meting was presided over by Mayor J. M. Duncan and an informal discussion on the purchase of two motorcycles for the department followed the regular order of business.

MARRIED LAST NIGHT

Miss Marcellene Schooler and Mr. George McGuin were married at 8 o'clock last night at the Del Ray Methodist Episcopal Church South, Rev. Walter W. Pippin, Jr., pastor, officiating. The church was prettily decorated with potted plants and flowers for the occasion.

The bride was becomingly gowned in a dark blue traveling suit with hat to match. She was attended by Miss Mildred Cockrell and the bride groom had for his best man, his uncle, Mr. Wallace Lunceford, and as groomsman, Mr. Raymond Cheek.

The wedding march was played by Mrs. Fred Peverill, and Mrs. John Gary, rendered "O Promise Me."

After a brief southern bridal trip they will be at home to their friends on Howell Avenue, Del Ray.

Airplanes To Trade

Representative of Simmons Hardware Co., to Give Exhibition Flight Saturday

Claiming to be the only traveling salesman in the world who calls on the trade by way of the air route. Lieutenant A. M. Alcorn, of the sales department of the Simmons Hardware Company, of St. Louis, Mo., will arrive in Alexandria tomorrow and will put on a demonstration flight over the city in the interests of "Keen Kutter" cutlery and tools, Saturday.

Lieut. Alcorn is coming to this city through the efforts of R. E. Knight and Son, local representatives of the Simmons Hardware Company and comes here after a demonstration flight in Washington. The machine, of which he is the pilot is known as the "Keen Kutter" and has made flights in almost every city in the United States where a a representtive is located.

Lieut. Alcorn will carry two passengers on the flight here on Saturday. They will be Charles R. Morrison, who represents the Alexandria Gazette and Harry D. Kirk will represent R. E. Knight and Son. Lieut. Alcorn is an expert pilot, having gone through the great war as a member of the famous Royal Flying Corps of the English army.

A message will be prepared by the Gazette to be transmitted by air to the newspapers in the city which Lieut. Alcorn will visit after his trip here. The details of the exhibition will be announced in tomorrow's issue of the Gazette.

ASSEMBLY TOLD LEAGUE IS ALIVE

Liberal Briton Pleads For Bold Policy and Open Diplomacy

COUNCIL UNDER WAY

Big Fight Expected in Committee on Mandates and Covenants—Hopes For More Work.

Geneva, Nov. 18.—Asserting that the League of Nations was very much alive, Lord R. Cecil yesterday made a powerful plea to the assembly of the League for international justice, a bold policy and open diplomacy. Never in the course of his long parliamentary career has he delivered a finer address.

Temperally, but none the less emphatically, Lord Cecil criticized the council on the ground that it was too much occupied with organization and that the secrecy surrounding its actions gave rise to suspicion in the minds of the general public. However, he paid a high tribute to the manner in which the Brussels financial conference was conducted.

The League's report for the year was a complete answer to those who had said the League was dead, the speaker said.

The League is very much alive," Lord Cecil continued, "but I hope that in the coming year it will devote most of its time to constructive work, rather than to matters of organization."

He said that later he intended to introduce resolutions requesting the council to give greater publicity to its proceedings and also urging it to present to the assembly some plan for the protection of Armenia.

Lord Cecil's remarks on the Polish Lithuanian dispute must have annoyed former Premier Paderewski, who listened with the closest attention, while the speaker noted the fact that Poland had taken hostile action after appealing to the League. Lord Cecil asserted this was a violation of the covenant, which provided that a power must give nine months' notice before taking belligerent steps.

"I venture to say that the Assembly must be informed by the Council of the present position of the city of Danzig and of what is being done in the Polish-Lithuanian dispute," the speaker said, "Publicity is the best weapon. The Council should publish immediately all the facts and allow the world to judge of the merits of these cases. An instructed and impartial public opinion is the best weapon we have."

Lord Cecil is making a clever fight for open diplomacy, and he is easily the biggest influence for the new order in the Assembly today. His independent position gives him an opportunity to advance his progressive views without restriction.

ARTILLERY TEST FIRING

Battery "A," 53rd Artillery, C A C., one of our organizations allocated to this District, will leave Camp Eustis, Virginia, December 10, 1920, for Pensacola, Florida, where it will engage in test firing on the old battleship Massachusetts.

This is a good opportunity for men to see Florida. The Commanding Officer, Colonel Lincoln, states that he will assign any man who joins the 53rd Artillery prior to December 10th and who wishes to make the trip, to Battery "A."

COMMUNITY PARTY

Third to be Held Saturday—B. Y. P. U. in Charge

The third of the community parties planned by the Ladies' Auxiliary of the Y. M. C. A., and conducted by the various young peoples' societies of the churches of the city will be held in the Westminster Building from 4 to 10 p. m., Saturday, in charge of the B. Y. P. U., of the First Baptist Church.

Special arrangements are being made this week to care for the children who may accompany their parents, in order that there may be no interference in the games intended for those older.

Our young people are just getting acquainted with the fascinating indoor game of schuffle board. It is honed that many will come out to try it this Saturday, knowing that the floor will be reserved for them.

From 5:30 to 7:30 a good supper will be served to those who may desire it, and following that a splendid program of entertainment will be put on. Among the specially attractive numbers will be a reading by Mr. A. J. Rhodes, president of the Player's Club and a solo by Mrs. Oliver, of Washington, a singer in the choir of the First Baptist Church of this city.

BIRTHDAY PARTY

Mrs. Leo E. Moore, of South Washington street, entertained a number of little folks yesterday afternoon in honor of her little son, Clements, birthday. Among those present were Misses Virginia Poss, Lucille Suthard, Virginia Evans, Mary Struder, Annie Struder, Charlotte Rhodes, Catherine Byrd, Mildred Brown, Catherine Hamilton, Evelyn Moore, Cora Kennedy, Carol Moore. Masters Malcolm Moore, Gordon Moore, Everett Murphy, Raymond Murphy, Walter Suthard, Marshall Evans, Melvin Evans, Milton Brown, Lester Scott, Henry Scott, Elmer Moore and Leo E. Moore, Jr.

INGOMAR THEATRE

"The Sins of the Children" will be the attraction at the Ingomar Theatre tonight, and is the very latest thing in picture making. The leading roles are assumed by Alma Hanlon and Stuart Holmes, while Mahlon Hamilton is prominent in the support. The latter actor was recently seen with Mary Pickford in the title role of "Daddy Long Legs."

The critics say that the story is not only timely, but is the most serious protest against some phases of modern society that has ever been presented on the stage or screen.

Y. M. C. A. Conference

Railroad Conference of Organization in Richmond Attended by Local Delegates

The fifteenth international conference of railraod Y. M. C. A.'s is convening in Richmond today, where over a thousand delegates are assembling. Alexandria is represented by William H. P. Kelley, a machinist of the Southern roundhouse, and J. H. Avrill, of the Potomac yards.

K. E. Wallace, of the local Y. M. C. A. is at the head of the local delegation and he states that Alexandria will probably be represented by two or three more delegates who will go for a part of the sessions, although they may not be able to remain throughout the entire conference

The conference will be held at the Jefferson Hotel and will continue from the 18th to the 21st, and will be addressed by some of the leaders in railroad and Y. M. C. A., circles from all over the world. Dr. John R. Mott, General Secretary of the International Committee of the Association, will be one of the principal speakers.

W. D. Duke, of the R. F. and P., will be one of the entertainers of the conference and George W. Stevens, late president of the C. and O., was one of the most enthusiastic boosters for the conference and wrote the main message to the convention just a short time before he was stricken at his desk and died most suddenly.

One of the features of entertainment afforded the delegates will be a special train to Newport News and a steamer trip through Hampton Roads, returning by special train to Richmond in time for the session that evening. Mr. Wallace and the delegates from Alexandria will return Sunday night.

Mission To Lepers

Semi-Annual Meeting Tomorrow Night at M. E. Church South

The semi-annual meeting of the Alexandria Auxiliary of the Mission to Lepers will be held Friday evening, November 19, at 7:30 o'clock, in the Sunday School room of the M. E. Church, South. The Gold Pig Banks will be opened and other contributions received at this meeting.

It was in the spring of 1917 that an auxiliary was formed in Alexandria of the interdenominational organization which has for 51 years been working for the betterment welfare and segregation of the lepers of the world. When the Alexandria Auxiliary was formed the sum of $20 would feed, clothe, house and give medical care to one leper for a period of one year. This cost has because of the same conditions that have greatly increased all other costs, increased since that time to $30 a year, and the support given by members of the mission in this community has increased from $25 in 1917 to $131 in 1919. The Auxiliary hopes that funds collected for the meeting on Friday evening will bring the total for 1920 to a sum sufficient for the support of six lepers for one year.

After many years of appeal and hard work a national leprosarium has finally become a reality, the Louisiana State Home for Lepers having been turned over to the United States government for this purpose. Plans are already under way for the construction of more cottages for the accomodation of the unfortunate victims of the disease in this country, of whom there are about 1,000, and as quickly as possible complete segregation will be effected.

Mrs. M. W. O'Brien, vice president of the Alexandria Auxiliary, will preside at the meeting Friday evening.

VENIZELOS LEAVES GREECE TO ITS FATE

Defeated Premier Resigns Return of Constantine Expected

ALLIES MAY NOT CONSENT

Believed Likely to Make Known That Once Ousted King Will Not be Recognized.

Athens, Nov. 18.—The resignation of Premier Venizelos has been made public. The majority leaders speak of the restoration of former King Constantine as an accomplished fact It is believed here that the Allies will make known to Greece their intention not to recognize Constantine should the former king be restored to the throne.

One of the election aftermaths here is circulation of a report that supporters of Venizelos planned a coup d'tat to prevent their defeat. M. Montagna, Italian Minister, is said to have called upon Venizelos and, informing him of the plot, told the Premier he would be responsible if there was any bloodshed.

It is declared that Premier Venizelos, before resigning, issued the strictest orders for the enforcement of order. Newspapers opposed to Venizelos announce that most of the Venizelist functionaries will be retained in the new Government.

It is the frequently voiced opinion of political observers here that Lloyd George favors the return of Prince George, eldest son of former King Constantine, to the throne, and that the British Prime Minister indicated abandonment of Venizelos three weeks ago by his notification that Great Britain would refuse to surrender Cyprus to the Greeks.

"Constantine is our rightful king," declared former Premier Gounaris, leader of the successful party in the Greek elections, "and we expect him back as soon as a plebiscite is held showing that the people want him.

"We expect ot assume the government in a day or two," continued Gounaris, "when the result of the elections become official. Then we shall quickly call the Chamber and have a plebiscite. It was the intention of Constantine to return after the plebiscite, and I have no message so far from him that he is coming earlier.

"If the plebiscite shows the people want Constantine, I do not see why France or Great Britain should interefere. We won the elections because the people regarded the Venizelists as usurpers by force.

"We wish to avoid civil war and further troubles. We shall pursue a policy of conciliation, not vengeance, toward the Venizelists. We do not anticipate a revolt in the army, which is really Constantinist.

"We shall continue the foreign policy of Venizelos. We hope to keep Smyrna through an amicable arrangement with the Turks."

Queen Mother Olga, of Greece, will probably assume the regency, it was learned here today. The queen mother is the widow of the late King George, who was assassinated at Saloniki in 1915. Admiral Coundouriotis is the present regent.

Reasons for his defeat are said by former Premier Venizelos to be the weariness of the people with politics, their desire for a rest and for the return of soldiers from the front, and emphasis placed by opponents in the charge that he was putting Greece into the hands of foreign nations. Venizelos declares this charge aroused fears of protracted wars in connection with his Greater Greece policy, and says popular jealousy played a part in his reverse at the polls last Sunday.

To these, he declares, may be added various grievances, against the internal administration and the feeling that he himself, was the victim of his own ideas of aggrandizement.

Venizelos when seen last night, was taking his defeat courageously and calmly. Speaking of himself, he said:

"I am tired and want a rest. Now I will have time to enjoy reading political history."

"THE ASSEMBLY HAS TEETH."

Do the American people really enjoy the view of Geneva? The League of Nations is in session there with 41 nations represented. The members of the Assembly are alert, confident and conscious of large power and responsibilities. "This Assembly has teeth," says Fridjof Nansen. It is not a mere debating society; it is a world body with tasks to perform and the power to perform them. If the reasons why we are not there were valid not one of the 41 nations would be represented there. There would be no Assembly, no League. Every one of those nations is just as jealous of its independence as the United States. Not one of those nations wishes to be dragged into a war. But the League of Nations is a fact because there is only one nation in the world that can be hamboozled by a lot of blatherskite and can mistake partisan trickery for exalted patriotism.

We learn from Geneva dispatches to a Republican newspaper that:

It would be far from correct for the people of the United States to get the impression that the Assembly is worried over the absence of America. If first the sessions had been a fiasco then the delegates might have said that nothing could be done without the United States but today the Assembly has absolute confidence in itself.

Of course the League would be more influential and more potent if it included the United States, but our absence is not stopping the wheels. The League can go on and be of the greatest use to the world without us. The publication of treaties and the enforced discussion of disputes between nations will in almost every case avert war. The great war would not have occurred if the controversy between Austria and Servia had been discussed, and if the conditions of the Dreibund had been published long before the war, the fact would have diminished the danger of a conflict. If 41 nations are bound together to prevent one nation from attacking another no nation will resort to arms. Nothing could be more imbecile than the Republican assumption that every nation would be as likely to go to war with 40 nations as with one, and therefore the League would involve every nation in every international dispute.

Without our participation, and without an international armed force at its command, the League has great power to prevent another war, and the consciousness of this inspired Nansen's statement that "The Assembly has teeth," and the confidence of all the delegates in the power of the Assembly to perpetuate peace.

The longer Americans look at the spectacle of nearly all the civilized nations of the earth associated together to prevent any one of them from committing a breach of the peace, while the United States separates itself from civilization and from Christendom, and succeeds Germany as the upholder of war the less they will like it. The campaign is over, and the foolish things said during the campaign by Republican politicians do not seem nearly so impressive as they did a few weeks ago.

Why You Should Use Lightning

(1) A noticeable increase in mileage is apparent the instant you use LIGHTNING exclusively. More miles per gallon at less cost per mile!

(2) Increased Power

Exhaustive road tests under every conceivable condition have proved the increased power of LIGHTNING. Where formerly frequent gear shifting was found necessary on hills, Lightning carries you up most grades on high with a smooth, comforting power-impulse.

(3) Freedom from Carbon Troubles.

Because Lightning can be used with an excess of air in the cylinders, hard carbon deposits are almost instantly removed—a condition not possible with gasoline. Hence Lightning will not "knock" and carbon trouble is prevented, keeping your motor up to full efficiency at all times.

(4) Readily Available Everywhere.

So great has been the demand for this new motor fuel that in a few short months we have been compelled to establish service stations throughout the country, so that no matter where you are—whether on city street or village highway—there is a LIGHTNING station near you.

COUNCIL Oven Baked Beans are actually baked in ovens under intense dry heat—not steamed or boiled as are most canned beans.

The Tomato Sauce in Council Oven Baked Beans is a blend of the finest concentrated tomato juice, sugar, vinegar and spices.

Together the beans and the sauce are a most savory dish—one that is wholesome and nourishing and at the same time temptingly appetizing.

The quality of COUNCIL Oven Baked Beans parallels in every way the quality of all COUNCIL products—the meats—of which there are a great variety—the vegetables and the condiments.

HAPPENINGS ABOUT CITY TOLD IN BRIEF

Eugene Lindsey, who is with a Western lumber business, is on a visit to his mother, Mrs. Noble Lindsey at her home on Braddock Heights.

A rummage sale for the benefit of the Temple is being conducted on North St. Asaph street, by Mrs. A. Dreifus and Mrs. R. P. Whitestone.

Susie Mason and husband have sold to James A. Ball and wife a house and lot on the west side of St. Asaph betwen Gibbon and Franklin streets.

The weekly prayer meeting will be held at 3 o'clock tomorrow afternoon, at the Anne Lee Memorial Home for the Aged, and will be conducted by the Rev. Dr. John Lee Allison.

Come and enjoy a nice hot turkey dinner tonight at Westminster Building, from 6 to 8 p. m., under auspices of Section B, Woman's Auxiliary St. Paul's Church. The price of this dinner is small considering the menu, and desert is very little extra.

The local board of civil service examiners announce that a civil service examination will be held in this city December 11 for the position of rural letter carriers for Arlington county. The salary is $1800 a year with $30 additional for each mile in excess of twenty-four.

The rehearsals for the vaudeville show, to be given on December 9, by the members of the Players Club, are being held each night, and all indications are for a most creditable performance. The chorus groups will meet promptly at 7:30 tonight at Lee Camp Hall.

Mount Vernon Council, Daughters of America, will hold their regular meeting at 8 o'clock tonight, in their hall in North Pitt street. The members are urged to be present, also members of Mary Washington Council, as arrangements are to be made for the State Councilor's visit on December 2.

Eleanor Louise Myers, aged 2 years, daughter of Mr. and Mrs. J. Frank Myers, died at 4:30 o'clock this morning. The funeral will be held at 2 o'clock Saturday afternoon from the parents' residence, 309 South Washington street, conducted by the Rev. Dr. E. V. Register. Burial will be in Bethel cemetery.

Harris Hart, State superintendent of public instruction, will deliver an address tonight at 8 o'clock, in the auditorium of the Chamber of Commerce. All members of the city council, school board, Parent-Teachers' Association, are urged to attend, also the public generally.

DEMOCRATS PLAN TO PUILD FOR FUTURE

(Continued from Page One.)

have far-reaching effect. It is felt here that if progressive men are not placed on guard the Democratic party is ripe for interment. The negotiations that are now in progress are consequently very important and they have a vital bearing, not only upon the future of both parties but upon the political future of the United States.

The live elements of the party here make it quite plain that they wish to be led and can only be led successfully by men who are Democrats through conviction and achievement and not merely by heredity. No threats are made, of course, but it is quite clear that if the progressive groups, do not take control then a really progressive party will be created and the Democratic party will disappear from the arena as did the Whigs. An attempt will be made here to keep out of the December meeting all hero-worshippers and personal propagandists. The plan will be to lay down a platform containing only forward-looking principles and to compress it within 100 lines of plain, not platform, English. It is argued that the future standard bearer can be easily chosen and well chosen later on when in every community and in every state there are hundreds and even thousands of men who will know what are the issues of the campaign and who can ably expound them.

Awards a Soldier's Insurance to Grandmother, Despite Rule

Indianapolis, Nov. 18.—A decision by Federal Judge Anderson here yesterday, giving a soldier's insurance to his aged grandmother, is contrary to the ruling of the War Risk Insurance Bureau that insurance disposed of by a soldier's will should revert to the State unless another beneficiary is specifically designated in the policy.

Without the court's decision payments on a $10,000 policy of Government insurance would have gone to half brothers of the soldier. The decision also held that cousins are not within the permitted class of beneficiaries.

When the soldier, Warren Johnson, was stopped from making his grandmother, Mrs. Nancy Chappell, of Oakland City, Ind., his beneficiary on account of a bureau ruling that she was not within the permitted class, the evidence showed that he made out his policy to his estate, and then willed all his property to his grandmother and a cousin.

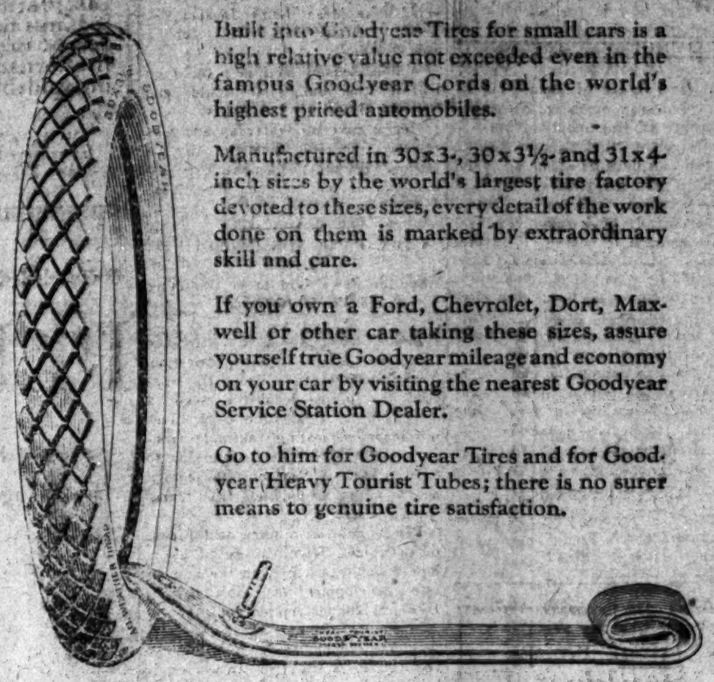
True Goodyear Economy in Tires for Small Cars



Built into Goodyear Tires for small cars is a high relative value not exceeded even in the famous Goodyear Cords on the world's highest priced automobiles.

Manufactured in 30x3-, 30x3½- and 31x4-inch sizes by the world's largest tire factory devoted to these sizes, every detail of the work done on them is marked by extraordinary skill and care.

If you own a Ford, Chevrolet, Dort, Maxwell or other car taking these sizes, assure yourself true Goodyear mileage and economy on your car by visiting the nearest Goodyear Service Station Dealer.

Go to him for Goodyear Tires and for Goodyear Heavy Tourist Tubes; there is no surer means to genuine tire satisfaction.

30 x 3½ Goodyear Double-Cure Fabric, All-Weather Tread, $23.50

30 x 3½ Goodyear Single-Cure Fabric, Anti-Skid Tread ... $21.50

Goodyear Heavy Tourist Tubes cost no more than the price you are asked to pay for tubes of less merit—why risk costly casings when such sure protection is available? 30x3½ size *in waterproof bag*..... $4.50

IRISH OF U. S. UNITE TO GET RECOGNITION

Washington, D. C., Nov. 18.—Irish leaders from over the country yesterday completed organization of "The American Association for the Recognition of the Irish Republic." At the same time the commission of seven from the committee of one hundred investigating the Irish question laid plans for opening yesterday its hearings with two witnesses direct from Ireland on the stand.

The hearings of the commission of seven were to have started yesterday but receipt of information that John Durham, acting mayor of Balbriggan, and Dennis Morgan, of Thurles, would be present to testify today resulted in the postponement. Dudley Field Malone, former customs collector of New York, also is on the list of witnesses for today, and after his appearance on the stand he is expected to sit at the hearings as the attorney for the American commission on Irish independence.

The British embassy will not be represented at the commission's hearing, formal declination of the commission's invitation having been forwarded by the embassy yesterday to Oswald Garrison Villard, of New York editor of the Nation, who appointed the committee of one hundred. In declining to send a representative to the hearings, the embassy declared it could not approve the purposes of the inquiry and expressed the belief that the only result would be the spreading of propaganda.

The organization formed by Irish sympathizers after a conference with Eamond de Valera, president of the provisional Irish republic, was said to be designed to supplant the Friends of Irish Freedom as the leading Irish independent organization in the country.

Postoffice Clerk Arrested in Henderson, North Carolina

Graves, postoffice clerk formerly of Henderson, N. C., Nov. 18.—I., V. Omaha, Neb., who was arrested last night charged with theft of registered packages from the postoffice here, was said by postoffice inspectors yesterday to have had $18,000 concealed in an extra tire on his automobile when taken into custody.

The inspectors said they found $17,000 in cash and a $1,000 Liberty bond in the tire.

BOY DIES FOR HIS RABBITS

Pottsville, Pa., Nov. 18.—A boy's love for his pet rabbit cost his life when the home of Joseph Pettarick, at Englewood, was burned to the ground early yesterday morning. The boy's parents and sister saved their lives by jumping from an upper window but Joseph went back to save his rabbits in the cellar.

Stole Car to See Widow; Freed, Will Shun Her

Chicago, Nov. 18.—Henry Willets, 19, son of a millionaire shoe manufacturer of Birdsboro, Pennsylvania, walked from the county jail yesterday after spending nine days in its confines.

"Papa was right," said Henry.

Young Willets was charged with having stolen an automobile so he could take Mrs. Lupie Jackson, a pretty 22 year old widow, for a ride.

Willets senior said he would go bail if the young man would end his attendance on the widow.

Henry gave up yesterday and was released on bail furnished by his father. By the agreement it is understood he will not see Mrs. Jackson again

FARM BANK FOR PALESTINE

Egyptian Jews Said to be Planning to Found Institution

London, Nov. 18.—At a conference just concluded in Tiberias, Palestine, Arab representatives from the district of Galilee decided to send a delegation to Palestine High Commissioner requesting suitable frontiers for Palestine and permission to call an Arabic National Assembly, according to a dispatch from Jerusalem.

Replying to an inquiry on the part of organized Jewry in Egypt as to how it could best help in the immediate development of Palestine, Sir Herbert Samuel replied that the establishment of an agrarian bank was an urgent need. It is understood that, acting on this suggestion, leading Egyptian Jews have already made preliminary moves for the founding of such a bank.

2 SHIPS ASHORE; 2 COLLIDE IN STORM

Norfolk, Va., Nov 18.—The Italian steamer Emmanuele Accame 1,791 tons, is ashore 40 miles north of Cape Charles, according to a long distance message received here today by the Merritt and Chapman Wrecking Company, from Lewes, Del. The company's tug Rescue has gone to her assistance.

Cape Henry yesterday sighted the steamship Duneric ,apparently stranded. Efforts are being made to signal her. No report from the vessel has been received.

Newport News, Va., Nov. 18.—The Norweigan steamer Grena and the British steamer Blossomheath, dragging anchor in the terrific wind and rain storm last night, collided and both will have to go to the shipyards for repair. Every ship in both the inner and the outer harbor dragged anchor, small boats were tossed high on the shore or pounded to pieces against beach and breakwater, and pleasure piers for miles along the beach were damaged or completely demolished.

SAYS HIS PRESCRIPTION HAS POWERFUL INFLUENCE OVER RHEUMATISM

Mr. James H. Allen suffered for years with rheumatism. Many times this terrible disease left him helpless and unable to work.

He finally decided, after years of ceaseless study, that no one can be free from rheumatism until the accumulated impurities, commonly called uric acid deposits, were dissolved in the joints and muscles and expelled from the body.

With this idea in mind he consulted physicians, made experiments and finally compounded a prescription that quickly and completely banished every sign and symptom of rhematism from his system.

He freely gave his discoxery to others who took it, with what might be called marvelous success. After years of urging he decided to let sufferers everywhere know about his discovery through the newspopers.—A—has been appointed agent for Allenrhu in this vicinity with the understanding that he will freely return the purchase money on the first two bottles they who state they received no benefits. A big-scale road test on 3,200 tubes

How Firestone puts the miles in — and then proves it—not at YOUR expense.

No other tubes in the world are road tested on so big a scale as Firestones. The Yellow Cab Company of Chicago uses Firestone Tubes exclusively on its 800 taxi cabs. The service of these tubes is checked constantly —improvements and developments are arrived at.

By close watching of a large number of tubes in service—not confined to isolated instances, the conclusions are accurate and definite.

Firestone puts the best in materials into tubes by establishing purchasing experts at Singapore, center of the world's rubber market. Firestone puts the best in workmanship into tubes by organizing the crack manufacturing organization of the industry on a profit-sharing basis.

And then subjects the finished product to this big-scale road test—in order to get you more for your tube money and more miles out of your tires. And yet Firestone Tubes cost no more than the ordinary kind.

J. G. HALL THREW AWAY HIS CRUTCHES BECAUSE HE DID NOT NEED THEM AFTER TAKING RE-CU-MA.

FOR SEVEN YEARS HE COULD NOT WALK WITHOUT THEM

The manufacturers of Re-Cu-Ma do not claim that it will work miracles, but here is a case where it actually put a man on his feet again after seven years' use of crutches. Everyone in Bellair, Florida, knows J. G. Hall an everyone has confidence in what he says. Many of his townspeople were witnesses of his act of throwing away his crutches after having taken seven bottles of Re-Cu-Ma M. Hall on his crutches has been a familiar sight to his friends; he was almost bent double; in fact; he was so badly crippled with rheumatism that even some of his joints were dislocated and of course he suffered agony at all times, no relief at any time. Mr. Hall was thoroughly discouraged and felt that he would never be able to get around again like other men; he had spent a small fortune with doctors in many places, but without avail. He took one bottle and saw some help and was encouraged enough to take more and now, after taking seven bottles he feels practically cured. He has gained 32 pounds in weight and is able to work hard every day. He is employed as night watchman at the world famous Bellair Hotel and takes an active interest in Masonic and church work. Mr. Hall's remarkable cure should be a beacon of hope to others who are similarly afflicted, for we naturally feel that Re-Cu-Ma can do as much for other sufferers. Try it today—we sell it on the guarantee that your money will be refunded if you do not feel benefited after taking it four days. It sells for $1.20 plus war tax and can be had at Rexall Store and all drug stores.

HALF OF THE RED CROSS DOLLAR STAYS AT HOME

Special attention is invited by David H. Brown, Director of the Fourth Red Cross Roll Call for the Potomac Division, American Red Cross, which division comprises Maryland, Virginia, West Virginia and the District of Columbia, that one-half of every membership dollar works at home, the other half being used for national purposes.

Fifty cents of every dollar received from annual membership dues is retained by the local Red Cross chapter for one or more of the following uses as the case may be:

1. To fight disease, and make the community a healthier, safer place for the individual and the family.
2. To teach emergency aid in case of accident.
3. To save the babies and guard the family health by teaching Home Hygiene, Care of the Sick and Dietetics.
4. To give immediate relief to victims of epidemics, explosions, floods, fires or similar calamities.
5. To aid in the care of crippled children, deserted mothers, financial stress, etc.

The balance of all dollar membership dues is forwarded to the Red Cross National Headquarters at Washington. National funds are composed principally of voluntary contributions. They include amounts still on hand for uncompleted war projects. There is also included the amounts received from membership dues. These National funds are used partly for relief work in foreign lands and partly for relief work in the United States, including assistance to soldiers, sailors and marines in camps and hospitals; to families of service men; in sudden disasters; for the public health and nursing service and for the development of the Red Cross service program in the United States.

The management cost at National Headquarters and the fourteen Divisions is less than 4 per cent of the total expenditures. Thus when the Red Cross spends, it spends patriotically, conservatively and wisely. In joining the American Red Cross, each member is assured that he or she can do so without misgiving, armed with the knowledge of just where and how each membership dollar will be expended.

There will be a large number of individuals, who will wish to do more for the Red Cross than to give it a dollar for an annual membership. There are those who will wish to become contributing members, the fee for which is $5.00, and those who will wish to become sustaining members, the fee for which is $10.00. Eighty per cent of the money received from such memberships remains in the chapter.

Every member is entitled to a receipt.

The Roll Call begins November 11 and ends November 26.

HAVE COLOR IN CHEEKS

Be Better Looking—Take Olive Tablets

To have a clear, pink complexion, bright eyes, no pimples, a feeling of buoyancy like childhood days, you must keep your body free from poisonous wastes. Dr. Edwards' Olive Tablets (a vegetable compound mixed with olive oil) act on the liver and bowels like calomel—yet have no dangerous after effect. Take one nightly and note results. They start the bile and overcome constipation. That's why millions of boxes are sold annually. 15c and 20c
